Opis

HOUSE:

An atmospheric row in the English style in a housing estate surrounded by greenery at ul. Moroccan. Over 170 meters of space, an intimate plot of 281 m², and a 1.5-story high living room are the main features of this offer.

LAYOUT:

GROUND FLOOR:

- * high living room with access to the garden
- * guest room/office with a view of the garden,
- * kitchen with dining room
- * bathroom
- * hall with a spacious built-in wardrobe
- * garage for one car with laundry room

1ST FLOOR:

- * 2 children's bedrooms
- * master bedroom with a balcony and a view of the garden
- * wardrobe
- * bathroom
- * long corridor with lots of wardrobes

An additional advantage is the garden with a western orientation, so you can enjoy the sun in the afternoons, and space under the house for 2 additional cars. The building is in very good technical condition, the interior is refreshed and prepared for a new tenant.

LOCATION:

An ideal place for a family with children – close to kindergartens and schools, including many international ones, green and recreational areas, excellent everyday infrastructure are just some of the advantages of this location. The Saska Kępa area is a charming part of the capital and a prestigious place to live, with excellent communication with every part of the city.
